

**Water & Sewer Department
2016
Fee Schedule
(Approved by Board of Selectmen)**

Water

Water Rate (Billed Monthly)

Based on metered water usage	\$11.96 first 1000 gallons \$1.46 per 100 gallons thereafter	Effective 1/1/2016
------------------------------	---	--------------------

New Water Connections – Domestic Use

Residential (Single Family)	\$2170	1/1/2016
Residential (Multi-Family)	\$2170 per unit	1/1/2016
Commercial	\$12.65 per gallon (min chg equal to residential fee)	1/1/2016
Industrial	\$12.65 per gallon (min chg equal to residential fee)	1/1/2016
Institutional/Government	\$12.65 per gallon (min chg equal to residential fee)	1/1/2016
Other	\$12.65 per gallon (min chg equal to residential fee)	1/1/2016

New Water Connections – Non-Domestic Use

Per inch diameter of service connection	\$1,055 per inch diameter of pipe	1/1/2016
---	-----------------------------------	----------

The per gallon design flow for non-residential and multi-family users to be determined based on the design flow values contained in Table 1008-1 from Chapter Env-Wq 1000 of the NH Code of Administrative Rules or, if unable to be determined from Table 1008-1, as calculated by the Town based on best engineering principles.

Annual adjustment to these fees to take place beginning January 1, 2014 based on the Engineering News Record (ENR) Construction Costs Index from the previous December.

Effective the approval of these fees, the applicant for a new water connection will be responsible for complete installation of the water service.

Original Approval 8/13/2012

ENR 12/2012 9412.25 12/2015 10092.38
12/2013 9667.75
12/2014 9936.44

Water Turn On/Off	\$40.00	4/28/2008
Backflow Testing (per device)	Actual Cost of testing	
Meter Testing	\$100	3/12/2012

Wastewater (Sewer)

Sewer Rent (Billed Monthly)

Based on metered water usage	\$13.01 first 1000 gallons \$1.72 per 100 gallons thereafter	Effective 1/1/2016
------------------------------	---	--------------------

New Wastewater Connections

Residential (Single Family)	\$2170	1/1/2016
Residential (Multi-Family)	\$2170 per unit	1/1/2016
Commercial	\$11.82 per gallon (min chg equal to residential fee)	1/1/2016
Industrial	\$11.82 per gallon (min chg equal to residential fee)	1/1/2016
Institutional/Government	\$11.82 per gallon (min chg equal to residential fee)	1/1/2016
Other	\$11.82 per gallon (min chg equal to residential fee)	1/1/2016

The per gallon design flow for non-residential and multi-family users to be determined based on the design flow values contained in Table 1008-1 from Chapter Env-Wq 1000 of the NH Code of Administrative Rules or if unable to be determined from Table 1008-1, as calculated by the Town based on best engineering principles.

Annual adjustment to these fees to take place beginning January 1, 2014 based on the Engineering News Record (ENR) Construction Costs Index from the previous December.
