Notes on the Meeting of 7 July 2011

The following met at 3pm at the Old Burying Ground: Dick Boutwell, Cynthia Hamilton, Randy Heglin, Don MacIsaac, Emily Preston, Tom Rothermel and Rob Stephenson.

Stone straightening in the Old Burying Ground was undertaken before and after the meeting.

The tree situation at the OBG was discussed. Randy Heglin will see if he can get some arborists to submit proposals to take down, as a first step, the old maples in the SW portion of the cemetery.

Rob reviewed the various volunteer projects that committee members will try to undertake this season: Scraping and painting the second two-sides of the Hearse House at Village Cemetery; stone resetting and straightening at Village; removing cut brush from the path into the Smallpox Cemetery and attending to the plot itself; and continuing work on the fence around John Conant's grave.

No further lots have been surveyed at Cutter Extension.

One broken headstone at Conant has been repaired by Peterborough Marble and Granite.

A second broken headstone at the OBG will be taken to Peterborough Marble and Granite for repair and reinstallation.
