

Town of Jaffrey Cemetery Committee

Next Meeting: Thursday 16 October 2014 at 3pm at Town Office.

AGENDA:

Annual meeting with the Director of Public Works and the Town Manager.

The proposed revised Rules and Regs will be presented. Hopefully these will be e-mailed before the meeting.

Notes on the meeting held on 25 September 2014 at 2pm at Philips-Heil Cemetery.

The following met at 2pm at the Phillips-Heil Cemetery: Bill Driscoll, Cynthia Hamilton, Emily Preston, Rob Stephenson, Charles Turcotte.

The Committee walked around the Phillips-Heil Cemetery. The condition overall is good. One tree is down at the very westerly end. One leaning headstone was straightened.

The Committee discussed the split rail fence to the east of the cemetery that separates the Town land from the neighbor. It is deteriorated. It's unclear who owns the fence but it needs to be replaced in any event. There is also evidence of a tree coming down over the entrance drive. Although cut up, there are branches remaining that should be removed. Randy will contact the property owner on both issues.

The meeting adjourned sometime before 3pm.

Emily, Charlie and Rob then went to the Old Burying Ground and straightened or reset several headstones. A large amount of chain that had been used in the Old Burying Ground to demarcate several gravesites was turned over to Charlie who will look into restoring it to the cemetery.

FUTURE MEETING: 16 October (3pm at Town Office. Annual Meeting with DPW Director and Town Manager). Other meetings as needed, probably none until the Spring.
