The meeting was called to order at 7:05 PM. The minutes of the last meeting were accepted.

I. Budget Review - CG advised that \$3.62 in interest was earned. \$60 was spent on projects for Children's Woods and Cheshire Pond Conservation Area (CPCA). The Boy Scouts have submitted a bill for expenses for work done at CPCA.

II. Ongoing Items

A. The McKelvie Easement - The Monadnock Conservancy will go to execution on this and will submit the legal fee bills to Jaffrey Con Com for payment assistance.

B. Bear Program Update - Advertising for the free program will be done through flyers and possibly the Chamber wall board and Woman's Club sidewalk board. Ben Kilham will be lecturing at the Woman's Club building on August 14.

C. Shattuck Easement Fund Raising Letter - NB submitted a draft of the letter. Con Com will pay for an electronic address listing from the Town. MG will do the mail merge. NB will check postage costs at the Post Office. It is hoped that this mailing will raise the remaining \$5000 necessary to complete The Monadnock Conservancy's purchase of the easement.

D. Grey Goose Easement - MG and BG will do this year's survey.

E. Kiosks: Children's Woods and Cheshire Pond - MG advised that most are completed. There will be three in Children's Woods and one at

Cheshire Pond. Only the roofs remain to be installed.

F. Website - MG will contact Joanne Carr to clarify Con Com website access.

G. Riverfest - Date of Riverfest is July 28. We will finalize Con Com displays and activities at the next two Con Com meetings. PW will call Kathy Batchelder to confirm Con Com's participation as well as location needs.

IV. New Business

A. PW will contact the building inspector to determine if certain street signs can be used at intersections to assist people trying to locate the entrance to CPCA.

The meeting was adjourned at 8:24 PM. The next meeting will be held on June 27 at the Town Offices.

Respectfully submitted,
