1. EDC Calendar

EDC meeting schedule is set for the 4th Wednesday at 9 am, monthly except July, no meeting.

2. EDC Goals for 2014

a) Discussion focused on the redevelopment potential for the Elite laundry site with short term tasks of contacting the bank representatives on the neighboring foreclosed property to provide some background to potential bidders.

b) Sidewalk improvements including finishing downtown areas, beginning Peterborough Street and making repairs to the rails by the dam on River Street (jersey barriers in place now).

c) Signage for the Industrial Parks and downtown.

d) Continued outreach and coordination with the Chamber and TEAM Jaffrey.

e) Continue liaison with DOT for downtown traffic project.

3. Status Reports

TIFD District Budgets were approved by the Selectmen, and Budget Committee.

EDC membership: Steve Walker and Keith Dupuis have stepped down. The EDC should be actively seeking new members, while we don't have a set committee membership, 7-9 would be ideal.
