**Draft Minutes 03/26/2013**  
**9:00 am Town Office**

Present: Bill Schofield, Cathy Furze, Don MacIsaac, Mike Shea, Sam Hackler

Staff: Jo Anne Carr

1. EDC Members  
Jo Anne reminded members that the term is for 3 years, and those whose term is up can get sworn in after today's meeting
2. Signage  
Jo Anne reported that she had put out a request to three companies for estimates with unencouraging results. There was some discussion regarding the costs for the signs and that priority should be given to the Industrial Districts – starting with Drumlin. Council members gave some ideas for specifications, to look for consistency in the design with existing signs, think about messaging and reach out to owners for support. Jo Anne will bring some design ideas back to the EDC for consideration.
3. Status Reports  
*Elite Laundry* Jo Anne reviewed development options now on the table for commercial/mixed use. EDC suggested reaching out to Terrapin Glass as a possible alternative location.  
  
*Sidewalks* Jo Anne is coordinating with Randy Heglin on the ongoing sidewalk improvements  
  
*Chamber/TEAM Jaffrey Coordination* Jo Anne continues to meet with both, the Chamber has offered to publish a news update from the Town periodically.
4. Adjourn
