APPOINTMENTS

Ken Geraghty came before the Board with his contractor Sean Walker and land conservationist Christian Boysen to ask permission to continue to improve a portion of class VI road on his property. Geraghty stated that Walker was working to rebuild trails and clean up the property but stopped the work at Hartman's request to come and address the Board and to get permission to continue.

The Board did agree that they could start the clean up again but they would like Mr. Geraghty to meet with Director of Public Works, Randall Heglin.
